Franklin James I. Oliveros - Personal Portfolio

Last updated: September 2026

This Privacy Policy explains how information is handled when you visit the personal portfolio website of Franklin James I. Oliveros.

Information collected

This portfolio does not automatically collect or store personal information. If you contact me by email or through the website contact form, I may receive the information you voluntarily provide, such as your name, email address, and message.

How information is used

Information you provide is used only to read and respond to your inquiry. It will not be sold, rented, or used for unsolicited marketing.

Cookies and analytics

This portfolio does not intentionally use cookies, advertising trackers, or analytics tools. If these features are added in the future, this policy will be updated accordingly.

External links

The website may link to third-party services, including GitHub and LinkedIn. Those websites operate independently and are governed by their own privacy policies.

Data security and retention

Reasonable care is taken when handling messages received through this portfolio. Contact information is kept only as long as reasonably necessary to respond to the inquiry or maintain relevant professional correspondence.
